

WORKMATTERS INSTITUTE - ARKANSAS

Our 12-week WMI cohort will meet in-person every week alternating between Little Rock, Ark. and Rogers, Ark. Participants are encouraged to meet face-to-face when the coordinating session is in their region, while those out of the area will have the opportunity to join the class via Zoom.

We believe this provides the best combination of community, learning and flexibility.

All in-person sessions will take place from 6:30 p.m. to 8:30 p.m. (CST), see below for full schedule.

WHAT PARTICIPANTS SAY

This has affected my leadership, has helped me view situations differently, especially how I engage conflict. The daily practices have been a game-changer and the community with other young professionals has been key – hearing other perspectives helped shape my own.
